Patient Convenience

Fertility East is a completely purpose built fertility clinic. Its IVF laboratories and clinic, on the 26th floor of Westfield Tower 1, are in the heart of Bondi Junction and accessible via the shopping centre. The day surgery, where patients have their egg retrieval procedures, is located in the same building on level 19. This enables couples to be treated for all fertility needs including ultrasounds, blood & semen analysis plus IVF and ICSI procedures in the one location. Ease of parking or public transport and the total anonymity of a shopping centre location are other benefits of undertaking your treatment at Fertility East.

Parking

There is easy access to Tower 1 from all Westfield parking levels. There are two carpark entrances, Grafton St. and Hollywood Ave. The easiest access to Tower 1 is via the Coles/Myer Carpark entrance from Hollywood Ave Upper Level Parking (R1). From parking level R1 take the walk-bridge across Oxford Street directly to the Tower 1 lifts, on Retail Level 6 of the Westfield Shopping Centre.

Public Transport & Taxis

The Bondi Junction Bus and Train Interchange on the corner of Grosvenor St. and Grafton St. is opposite Westfield. Trains link from Central, Town Hall and Martin Place stations on the Eastern Suburbs line. A taxi rank is in Grosvenor St. beside Westfield entrance.
